EXPERIENCE

CREATIVE TECHNOLOGY LTD., SINGAPORE

System Analyst | MAY 2024 – Current

Own and manage the full lifecycle of the enterprise Return Merchandise Authorization (RMA) system — including development, maintenance, integration, and user support for both internal and external customers. Also contribute to the development and support of other in-house systems, ensuring seamless integration between internal systems.

TOPPAN ECQUARIA, SINGAPORE

Senior Software Engineer | Dec 2023 – APR 2024

Support for MOH (Ministry of Health) HALP system – Analyzing issues, providing RCA, reviewing codes, fixing bugs and managing deployments by taking care of data privacy with standardized rules.

YTL POWERSERAYA (GENECO), SINGAPORE

Software Engineer | Dec 2022 – Dec 2023

Customize and maintain Oracle Utilities Customer Care and Billing (CC&B) system to support GENECO's business operations. Collaborate closely with business users on billing, credit control, and batch processing activities.

MYANMA APEX BANK (MAB), MYANMAR

Senior Software Engineer | Jan 2021 – Nov 2022

Develop and support inhouse banking products. Migration to Oracle Banking Digital Experience (OBDX) and integration with payment gateway system.

MYANMAR INFORMATION TECHNOLOGY (MIT), MYANMAR

Senior Software Engineer | Nov 2016 – Dec 2020

Handle and support reliable solutions through innovative technologies for large local retail systems and ERP. Provide business insight, sales forecasting using Azure, Power BI and Power Apps.

DEVNET SOLUTION PROVIDER, MYANMAR

Junior Software Developer | Jan 2014 – Mar 2016

Develop, maintain and support the customized web applications.
